Off-campus access to selected e-resources

Library and Information Services
Do
- Only authorized users may:
  1. Electronically save portions of the licensed material. For reference purposes, 5% of a journal issue would be considered to be an acceptable portion.
  2. Print out a single copy of a portion of the licensed materials.

Don't
- Authorized users should not:
  1. Amend or remove any of the copyright information visible on the licensed content.
  2. Systematically make printed or electronic copies of multiple portions of the licensed content for any purpose.
  3. Display or distribute the licensed material on any other electronic network except for the secure network of the UFS.
  4. Allow anyone else except authorized users to access the licensed content.
  5. Use the licensed content for any commercial purpose without permission from the publisher.

With acknowledgment to Oxford Journals Librarian's Handbook.

By using the available resources, I agree to abide by the Copyright Act of 1978 as well as any other restrictions provided by publishers and specified in the databases. I may download/print one copy of content or portions thereof provided the information is used solely in accordance with copyright law.

Catalogue (KovsieCat)

Use the KovsieCat to find books and other resources in the library

Databases

Use general or subject-specific databases to find information

Databases On Trial

Access databases under evaluation

Journals

Access electronic journals via the internet (also lists of accredited journals)

Books

Access full text books available via the Internet

Exam papers

Resources by department

Find subject-specific resources and reference guides.

Reference Sources

Access reference sources available via the Internet

Citation and Research Guides

Use referencing method with ease

UFS Electronic Theses and Dissertations

Access master's and doctorate studies done at the UFS

Newspapers

Access newspapers available via the Internet
