Electronic Resource Agreement

Library and Information Services

Do:
- Only authorized users may:
  1. Electronically save portions of the licensed material. For reference purposes, 5% of a journal issue would be considered to be an acceptable portion.
  2. Print out a single copy of a portion of the licensed materials.

Don’t:
- Authorized users should not:
  1. Remove or alter any of the copyright information visible on the licensed content.
  2. Reproduce or distribute the licensed material on any other electronic network except for the secure network of the UFS, or anyone else except authorized users to access the licensed content.

I am to abide by the Copyright Act of 1978 as well as any other restrictions provided by publishers and specified in the databases. I may download/print limited copies of content or portions thereof, provided the information is used solely in accordance with copyright laws.

☐ L'Année philologique

☐ Academic Search Complete

Academic Search Complete is the world's most valuable and comprehensive scholarly, multi-disciplinary full-text database, with more than 8,500 full-text periodicals, including more than 7,300 peer-reviewed journals. In addition to full text, this database offers indexing and abstracts for more than 12,500 journals and a total of more than 13,200 publications including monographs, reports, conference proceedings, etc. The database features PDF content going back as far as 1887, with the majority of full text titles in native (searchable) PDF format. Searchable cited references are provided for more than 1,400 journals.

☐ Title List  ☐ More Information

☐ Africa-Wide Information

Africa-Wide Information, produced by NISC South Africa, combines bibliographic databases from around the world to form a multidisciplinary aggregation offering unique and extensive coverage of all facets of Africa and African studies. This includes content from South African Studies, African Studies, and African HealthLine, which focuses on all aspects of health relating to Africa and other developing nations. With over 3.2 million citations and abstracts dating back to the 18th century, this resource is essential for those with an interest in African research, and information on

SCROLL DOWN TO NTA!!!
A International Bibliography

A International Bibliography offers a detailed bibliography of journal articles, books and dissertations. Produced by the Modern Language Association, the electronic version of the bibliography goes back to the 1920's and contains over 2.3 million citations from more than 4,400 journals & series and 1,000 book publishers. The indexed materials coverage is international and includes last 60 titles from J-STOR's language and literature collection as well as links to full text.

- New Testament Abstracts

New Testament Abstracts Online is a product of a partnership between ATLA and Boston College. The database is an indispensable research and bibliographic aid for scholars, librarians, clergy and students of the New Testament and its historical milieu. The database contains more than 44,000 article abstracts, 1,200 review abstracts, 16,500 book abstracts, and 50 software abstracts.

- Newspaper Source

Newspaper Source provides cover-to-cover full text for more than 40 (U.S.) & international newspapers. The database also contains selective full text for 399 regional (U.S.) newspapers. In addition, full text television & radio news transcripts are also provided.

- Old Testament Abstracts

Old Testament Abstracts Online is a product of a partnership between ATLA and the Catholic Biblical Association. The database features indexing and abstracts for journal articles, monographs, multi-author works, and software related to Old Testament studies. Topics covered include antiquities, archaeology, biblical theology, philology and much more.
Type in your key words and choose Enter
In this case, the PDF of the article is available electronically and if you click on it, it will open so that you can download it.
In this case the article is not available electronically through New Testament Abstract; if you need it, it might be available through Electronic Journals; where you can type in the name of the journal and choose the particular volume; you have to go back to the beginning again and select Electronic Journals (See next slide)
